"Catholic Ethos" in the context of a Catholic primary school means the ethos and characteristic spirit of the Roman Catholic Church, which aims at promoting:

- the full and harmonious development of all aspects of the person of the pupil, a living relationship with God and with other people
- including the intellectual, physical, cultural, moral and spiritual aspects
- a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus
- the formation of the pupils in the Catholic faith
- and which school provides religious education for the pupils in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of Our Lady's G.N.S. shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

This policy is linked to other relevant policies within the school and in particular our Code of Discipline.

Mission Statement

Our Lady's G.N.S. is a Catholic School, respecting other beliefs.

The staff of Our Lady's Girls' School aim to create a happy atmosphere of physical, emotional, social and intellectual security for students, staff, and parent/guardians.

We offer a holistic education so that each child will emerge as self-reliant and confident.

We hope to achieve this through the collaborative effort of teachers, children, parents and the wider community.

We believe each child has a unique and special contribution to make as an active member of the school community. We believe every child matters.

Our School Ethos

Our school is a Catholic School with a Catholic Ethos. Non Catholic pupils attending our school are respectfully given the freedom to adhere to their own beliefs and practices. We are an inclusive school and we welcome children of all abilities.

Our aim is to provide a learning environment which is free from discrimination, threats, bullying and or harassment for all staff and pupils where each child is valued as a person and is provided with a variety of opportunities enabling her to live as a child and developing all aspects of the person; spiritual, emotional, moral, social, intellectual, cultural and physical.

We seek to develop in the child a positive self-image and a respectful caring attitude towards others.

We encourage each child to take an active part in her own development on all levels so that she can:

- enjoy being at school and contribute to making school life a good experience for all.
- be ready and able to benefit from second level education.
- go on to take her place in society as a happy fulfilled and responsible adult.

Since teaching/learning is a collaborative effort we involve parents, teachers, pupils and the wider community.

We endeavour to challenge the gifted child and to give special support, care and attention to children with any level of additional needs.

The school endeavours to provide an ordered environment, which fosters discipline and respect while promoting good behaviour and mannerly and positive interactions. Acceptance of a place in the school is deemed to be an acceptance of the Code of Behaviour. In order to be validly enrolled as a pupil in Our Lady's Girls' School, parent(s) must confirm that they accept the Code of Behaviour

Our Lady's Girls' National School will cooperate with the NCSE in the performance by the Council of its functions under the Education for Persons with Special Educational Needs Act 2004 in relation to the provision of education to children with special educational needs, including in particular by the provision and operation of a special class or classes when requested to do so by the Council. Our Lady's Girls' National School will comply with any direction served on the board or the patron under section 37A and 67(4)(b).

4 Categories of Special Educational Needs catered for in the school

Our Lady's Girls' School embraces the philosophy of inclusiveness and endeavours to reflect that philosophy in the admission of pupils with disabilities or other special educational needs. The school welcomes applications from children with special educational needs. Such applications will be processed in accordance with the provisions of this policy.

Pupils with special educational needs will be resourced in accordance with the level of resources provided by the Department of Education and Skills (DES) and the National Council for Special Education (NCSE).

In order to assist the school in establishing the educational and physical needs of a successful applicant, relevant to his/her ability or special needs, and to profile the support services required the school requests that parent(s) of the pupils accepted for enrolment; (i)

- Inform the school of any special needs as early as possible and
(ii) Ensure that copies of relevant professional reports are provided so that provision can be made for that applicant's welfare and educational progress.
- Where a report is not available and in the event that an applicant is accepted for enrolment, a request will be made that the successful applicant be assessed immediately. Following receipt of the report, the Board of Management will assess how the school can meet the needs as specified therein.
- Where the Board of Management deems that further resources are required, it will request the DES and or NCSE and or HSE to provide resources required to meet the needs of the child as outlined in the medical and or psychological report(s).
- The Principal may, in conjunction with the Special Educational Needs Officer (SENO) or the DES Inspector, meet with the parent(s) of the child to discuss the child's needs. This meeting is not a condition of enrolment.

Categories of Special Educational Needs catered for in the Special Class

Our Lady's GNS with the approval of the Minister for Education and Skills, has established a class to provide an education exclusively for students with Autism Spectrum Disorder. (ASD)

- The parents/guardians must fill in and return Our Lady's G.N.S. School Application Form for placement in the A.S.D Class. This application form should be sent to the school in hard copy format, email applications for the autism class will not be accepted. - . The Department of Education & Skills states that the ratio for each class is a maximum six pupils to one teacher and two SNAs. There must be more than three pupils to access the second SNA.
- The Admissions Policy states that the parents/guardians (and the prospective candidates for the class if required) may be invited to meet the principal, the class teacher and any other relevant parties before the child starts school. An Induction meeting of new parents will be held prior to commencement in the school, as with all pupils.
- The class is not designed for children with multiple disabilities.
- Prior to enrolment, all potential applicants may be visited by a member of the ASD Team to observe the student in their existing placement and to provide feedback to the Board of Management

The class will be co-educational and will cater for children of primary school age only – i.e. four years to thirteen years.

- In accordance with section 23(4) of the Education (Welfare) Act a parent/guardian must confirm compliance with the school's Code of Behaviour. The Board of Management reserves the right to refuse enrolment if this confirmation is not received prior to the pupil attending the school. The Board also reserves the right to continue to suspend or expel a child under 'Health & Safety' regulations and in conjunction with the school 'Code of Behaviour' as per the National Education Welfare document if the need should arise.
- A placement breakdown can sometimes occur. All placements are subject to review at the request of the parents and/ or the school. The review will include input from all agencies involved (through a multi-disciplinary team meeting), the parents/guardians and the school. Following the review, a recommendation may be made that the child be enrolled in a school that can better meet his/her needs. First preference will be given to pupils attending Our Lady's Girls' National School, where a transfer will take place from mainstream to special classes if criteria have been satisfied. Integration will be determined based on the individual needs of the child, and through discussion with the parents/guardians and the relevant class/support teacher. Following agreement, phased integration will take place
