

## Our Lady's GNS Ballinteer – School Closure March 2020

We hope you are all safe and well. Artzone sadly had to cancel our whole class, camp and party programme in line with Government advice last Thursday. However, we can't sit still so while we are waiting to start up again we plan to deliver a series of free online art workshops through Facebook Live.

For more information check out our social media platforms: -

Tomorrow we will post a basic materials list (nothing hard to find) and Gillian will kick off with a basic workshop full of creativity and learning (shape, form and texture) on Monday morning (exact time to be confirmed)

Please feel free to spread the word - there will be no charge!
