

Our Lady's GNS Ballinteer – School Closure 2020

For access to 'Sounds Like Phonics':

CJ Fallon hopes you and your pupils are keeping safe and well during these difficult times. As we cannot come to visit you, we would like to tell you about our new phonics programme and the digital games that you can use with your pupils right now and for FREE!

You and your pupils' parents can also access the ebooks for FREE during this home schooling period. Simply click [here](#) and filter to your required title.

***Sounds Like Phonics* is a phonics programme for Junior Infants to Second Class.**

It offers a contextualised approach to letter knowledge through carefully crafted themes and multisensory learning experiences. The programme's digital interactives provide active and engaging game-based learning for pupils, supported and extended by the Activity Books. The programme includes:

- 4 Activity Books (A, B, C and D) divided into themed units to frame learning in fun, approachable ways.
- Free digital interactives for every sound (videos, animations and activities).
- Exercise-specific learning outcomes in the Activity Books and a comprehensive Teachers' Resource Book to assist teachers (available on my.cjfallon.ie).

For FREE use of the excellent online resources, [click here](#). You can email these links and games on to your pupils' parents if you wish.

Watch this [short video](#) for more details on this exciting new programme.
