Maths

Tables Champion is a fantastic resource to help the girls revise addition tables daily. Very short exercises to help consolidate their learning. This week focuses on +3. Here is the link but I also have screen grabs of the pages and put them on our drive.

<https://educateplus.ie/ppresource/tables-champion-1st-class>

- This week we will explore Capacity!
Check out our Google Drive for videos and activities which will help the girls to investigate Capacity!

- Interactive Maths Games - do 1 each day to help the girls practice their number skills
 - Top Marks - Maths Magician (choose addition or subtraction)
<https://www.topmarks.co.uk/Search.aspx?q=maths%20magician>
 - Top Marks - Helicopter Rescue
<https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>
 - Cool Science Lab - Challenge

English

- Spelling workbook

Word Wizard - access here - <https://www.gillexplore.ie/gill-explore-resources/word-wizard-1st-class>

** or see screen grabs of pages on our class Google Drive.

- Continue with your "Daily Diary" - it will be super to have to look back on and remember all the nice times you had at home with your family. Draw a picture about an activity you did that day (example played, went for a walk) and describe it.
- Oxford Reading Tree Interactive Reading

Click on the below links to access the online version of The Oxford Reading Tree Series with your daughter. Ideally they would have a brand new reader in their hands, but for now this alternative might help! I have linked three different levels of the series below, but if you feel your daughter should be on an alternative level, feel free to get in contact and we can find the right level for her.

https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/?view=image&query=&type=book&age_group=&level=oxford+level+3&level_select=oxford+level+3&book_type=&series=Oxford+Reading+Tree#

Level 4

https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/?view=image&query=&type=book&age_group=&level=oxford+level+4&level_select=oxford+level+4&book_type=&series=Oxford+Reading+Tree#

Level 5

https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/?view=image&query=&type=book&age_group=&level=oxford+level+5&level_select=oxford+level+5&book_type=&series=Oxford+Reading+Tree#

Your daughter may well choose a book and fly through it. If this is the case, that's fantastic, however ask her the questions at the back of the book or the following questions to make sure she understood the story.

This will help to assess the girls' levels of comprehension.

- What happened at the beginning of the story?
- Describe your favourite part.
- What happened at the end of the story? Do you like the ending?
- Would you change it?

Gaeilge: This week we are going to the zoo- videos on the blog!

We use the program Bua na Cainte in school, however this is proving to be difficult in practice at home as it is a huge file and takes a lot of time to download. I'm providing an alternative option with the program "Abair Liom" which is a program used by many classes in the school. As you can see we have gone to the start of Abair Liom and begun the first two topics on our drive-at this time of the year I would normally begin revision of Gaeilge to consolidate the girls' learning during the year. I feel particularly as they are learning remotely, revision is key to helping the girls retain what they have learned.

Have fun with the interactive exercises attached to lesson 2 "An Zú" and if you would like videos and reinforcement activities, check the Gaeilge folder in my Google Drive. <https://bit.ly/MsRyansfirstclass2020>

If you have been using Bua na Cainte successfully, why not start revising the year's work with the first topic.

Details below explain how to access Abair Liom- See drive for videos too!

- 1) Go to Folensonline.ie and click to register
- 2) Select Teacher
- 3) Create a username, email and password
- 4) For roll number use the code Prim20

Now find Abair Liom C, hover over it, click choose resources. Click on lesson and choose lesson 1 -Is feidir liom.

- 5) Also go to Gaeilge folder on Google Drive for extra activites ☺

Science

This week we are investigating "Rainbows!" Check out the activities and then have a go at investigating!

(google drive <https://bit.ly/MsRyansfirstclass2020>)

Good luck!

History:

Investigating Ancient Egypt

- Have a look at some of the videos in the history folder on our drive
- Use DK Kids website <http://www.dkfindout.com/>
- Research The Egyptians and write 5 of your favourite facts about them!
- Carry out the hyroglyphics challenge (details on my drive)

Art

Colour your own rainbow-have fun!
