Week Beginning: 1 st June 2020						
	English	Maths	Other			
Monday	Bank holiday – no school 😊					
Tuesday	<p>My Spelling Workbook: Unit 10</p> <ul style="list-style-type: none"> Choose 5 words on the word list and put them into a sentence. Imagine someone has asked you what each of the five words mean. Write out your own definition for each word. <p>Zoom preparation:</p> <p>Write a short piece about '<u>your favourite memory from primary school so far</u>'. It could be about a school trip, sports day, school event any memory you like. On the zoom call on <u>Friday</u> you can read out your piece if you want. If you do</p>	<p>Mental Maths: Week 31 Tuesday</p> <p>Busy at Maths: Number sentences Page 168</p> <p>Notes: Question 1: For example, if you look at 1. iii (a) (_____ x 6) + 3 = 39 Your total answer on the left-hand side of the = sign must be 39.</p> <p>Look outside of the brackets first. You have 3. How many more do you need to get to your total of 39?... = 36.</p> <p>So, the answer in the brackets must equal 36. $6 \times 6 = 36$</p>	<p>Geography Quest 4: This book can be accessed on CJ Fallon website https://www.cjfallon.ie/</p> <p>Topic: Potatoes (The activities can be split up over the next two days)</p> <ul style="list-style-type: none"> Read pages 52 – 54 Answer activity A page 54 Answer activity B pages 55 + 56 Answer activity C Question 1 page 56 <p>* If you would like to do your own research on Potatoes (or any another type of food of your choice) you could do that instead and create a project on it.</p>

	<p>not want to that is no problem at all, you could draw a picture beside your writing and show that, or even just listen to others 😊</p> <p>If you are unable to attend the call on Friday, you could send me your writing instead if you wish.</p>	<p>Question 3 + 4: Remember the symbol < means less than. The symbol > means greater than</p>	
<p>Wednesday</p>	<p>My Spelling Workbook: Unit 10</p> <ul style="list-style-type: none"> Choose 5 words on the word list and put them into a sentence. Imagine someone has asked you what each of the five words mean. Write out your own definition for each word. <p>The English Workbook D: Punctuation</p> <p><i>Full stop: To show us when a sentence is finished.</i></p> <p><i>Capital letters: Used at the start of a sentence, for names of people and places, for days of the week and months, for the pronoun I.</i></p> <p><i>Question mark: To show that someone is asking a question.</i></p>	<p>Mental Maths: Week 31 Wednesday</p> <p>Busy at Maths: Number sentences Page 169</p> <p>Notes: Question 2: Look at the equal sign. Both answers on the right of the equal sign and the left of the equal sign must be the same answer.</p> <p>Question 3: For example, question 3(a): $257 + \underline{\quad} < 458$</p> <p>Your answer on the left-hand side of the symbol needs to be 'less than (<)' 458. So, it could be $257 + 100$ or even $257 + 2$. BUT. The question is asking you for the <u>greatest number</u>.</p>	<p>Potatoes:</p> <p>Continue with activities outlined above.</p>

Our Lady's GNS Ballinteer – Weekly Plan – School Closure 2020

	<p>Page 139:</p> <ul style="list-style-type: none"> • Question 1 – Read the sentences and add either a full stop or a question mark to each sentence. • Question 2 – Add full stops, capital letters and question marks to rewrite the passage. 	<p>So, your answer on the left-hand side needs to equal to 457 so that the number sentence is correct. Answer = $257 + 200 < 458$ This is the same as $457 < 458$</p>	
Thursday	<p>My Spelling Workbook: Unit 10</p> <ul style="list-style-type: none"> • Choose 5 words on the word list and put them into a sentence. • Imagine someone has asked you what each of the five words mean.
