NOTES:

Online Books:

- 'Let's Go' and 'Busy at Maths' can be accessed online at <https://my.cjfallon.ie/>

English:

- If you do not have your My Spelling Workbook at home you could use spellings from your Fallons spelling book or even your dictionary.
- If you do not have access to Let's Go you could continue doing the activities involving a novel you are currently reading.
 1. Read the next few pages of your novel, then write out a summary of what happened in those pages.
 2. Write about what you think will happen next in the story?
 3. Pick 5 words on a page you have read that you don't understand. Look up the definition of the words and put them into a sentence.
 4. Every time you finish a chapter you could write about the chapter. For example: what you liked/disliked about the chapter, did the characters face any challenges? How did the characters overcome the challenge? Where there any new characters in the chapter?

Our Lady's GNS Ballinteer – Weekly Plan – School Closure 2020

5. After you have read a few pages, pick a scene and draw a picture to represent what you have just read.
- Write a review on the last book you read or movie you watched.
 1. What was the book/movie about?
 2. Who was your favourite character and why?
 3. What was your favourite scene in the book/movie?
 4. Draw a picture of your favourite scene in the book/movie.
 5. Would you recommend this book? Why/why not?

Maths:

- If you do not have access to Busy at Maths you could do the following:
 1. Pick ten items in your home (e.g. carton of milk, pencil case, shoe...) and estimate the order from heaviest to lightest by holding the objects in your hand to investigate how heavy or light they are.
 2. If you have a weighing scales at home you could find the actual weight of the objects and right down the order from heaviest to lightest and see if your estimate was correct.
 3. Pick another 10 items in your home. Now write down beside each item something in your home that is heavier and something in your home that is lighter than each object. For example: '**Spoon**'. My **book** is **heavier** than the spoon. My **pencil** is **lighter** than the spoon.

Note: if you do not have access to the book/s mentioned above, don't worry! Choose your own activity instead!

Got all your work done and want to do more? Go to our [school website](#) and choose an activity from our list of suggestions!
