

Our Lady's GNS Ballinteer – Weekly Plan – School Closure 2020

Teacher: Ms. O'Neill Class: 5 th Class/Room 15 boneillofgns@gmail.com Week Beginning: 2 nd June 2020 For this week's resources, go to: https://drive.google.com/drive/folders/1qTuicQTlrMrB7Us5RrqU7fFeGRHL8VC0?usp=sharing		Information for Parents: The Weekly Plans this month will be a little different to previous plans. We will have maths each morning, another subject activity in the second slot an activity that is not 'academic' in the third slot, so that the children may enjoy the good weather while learning. Maths this week may be very challenging for some children. Just do your best. Spend about 45 minutes working and then stop, regardless. Keep checking BAM Answers as you go along, so that you know that you are on the right track. It is best to do a small number of sums/problems correctly that to do lots incorrectly. Email me if stuck and never worry about not finishing a page. You do not have to catch up the following day. Just move to the next page assigned for each day.	
	Maths	Gaeilge and SESE	Outdoor/Well-being Activities
Monday	Bank Holiday ! Enjoy!   		
Tuesday	Use your calculator as much as you need to this week. Our main focus is learning how to solve problems this week, not our tables. Firstly, as revision, try to do BAM, P.129, Q.1. You may find these difficult. Don't worry! Just do your best and check answers in BAM Answers as you go along. Now, before you continue, watch this excellent video-look at it twice if you need to! It explains how to get a % of a number and how to calculate discounts in sales in shops. https://www.youtube.com/watch?v=rR95Cbcjzus If still confused look at cjfallon Tutorial 77 for P.129. Then finish P.129.	We will focus on Gaeilge this week because you did not have your books at home until now. I am allowing 4 slots for this next activity, because I know you love pets and animals and I'm looking forward to reading about them 'as Gaeilge'. I have sent you a digital presentation that I created myself a number of years ago, about my pet 'madra' going 'ag siopadóireacht' for a present for his friend's breithlá! I'm hoping it will inspire you! This week, I would like you to create a paper or digital presentation (video,	P.E.: Practise some of these skills from Basketball Ireland –you may use a football or a basketball. These skills will develop your Gaelic football and basketball ball handling skills. https://www.basketballireland.ie/news-detail/10062482/
